# Workshops

**We are looking for some help to sort, repair and create new props and costumes for the up coming weekend event.**

**If you'd like to learn how to sew (or share your skills), learn to make weapons, or even learn to dance in traditional style, please look at the opportunities below.**

If you wish to attend any of these workshops or want more info please email us.

## **Costumes/Props**

**There is much to make and repair, and we would love some help.**

*Megan's large collection of pattern, fabrics and braids will be open for raiding at these events, great for making your own formal wear for your PC. And you can learn all the skills you'll need to make your dream outfit — and network with others who can help too.*

If you have a sewing machine and can transport it please bring it along to allow multiple projects to be worked at once.

*Not just sewing — we have many props to put together, so if you can cut, glue, paint, trace or offer encouragement we want you!!*

Please come for any amount of time you can offer, snacks and meals provided.

## **Learn to Dance**

**The next event will include a formal ball, and while this may not appeal to all PCs, there will be an opportunity to participate as a noble NPC instead.**

The SCA holds dance practice each month, where we can learn traditional European medieval dance styles that will be used at the event.

7:30-10:00pm Thurs 16 August

Presbyterian Church Hall, crn McKean St & Michael St Fitzroy Nth

Cost: \$5, plus any additional donation to SCA for their help encouraged

## **Weapons Workshops**

*Repairing damaged weaponry, and maybe making some new pieces.*

*Working with Weaponsmaster Luke in Sunshine, dates are yet to be decided (likely to be weekdays).*
