

*A LARP Victoria Event*  
**Chimera Productions  
LARP Group Inc.**

Dantir: Beyond the Stones  
Daygame

## **Chimera Productions Finale event**

*Join us for the final story of our long running LARP world*

### **Call for NPC volunteers!**

Chimera LARP may be finishing but we hope you can come and experience our storytelling LARP for the first and last time. Come and play non-PC roles such as monsters, Giant Spiders, Tree-ents, Lizardmen, cult guardians and servants of mysterious gods. Fight alongside or against PCs in an epic final battle to determine the fate of the Dantir world.

As this is the final event for this world, there will not be further time to develop new characters. But we need NPCs to build the event and present an epic experience for all players. NPC volunteers get to play as many types of characters and fully participate in battle scenarios as monsters. If you don't have a current character, please help us by volunteering as an NPC.

**Where:** DAREBIN PARKLANDS,  
Separation St, Alphington

**When:** Saturday 18th November 2023

**Start time:** 9:30 AM  
*(please arrive between 9-9:15am for sign in)*

**Finish time:** 17:00 PM

**Cost:** \$50 PCs, \$30 NPCs

**Includes:** BBQ lunch, equipment hire and  
all day gameplay

*Gameplay will include freeform  
roleplaying, investigation and a  
grand battle scenario*

*Non-combat character types and  
experiences are a major part of our  
game — if you cannot be in combat,  
you are very welcome and will be  
involved as much as you are  
comfortable.*

### **BOOKINGS ESSENTIAL!**

**We need to know you are coming so we can  
provide equipment and lunch!**
