Dantir: Beyond the Stones

Meanwhile, Back in Dantir...

Characters present at the Elantir event September 2017 or 'the ritual' in Eluvia event May 2017 may not be used at this game day. All players are welcome to attend, new characters are available for those who were at Elantir.

Choose one of the games below when submitting your booking.

The Final Bounty *[intended for under 16s]*

The search for the idol is over—Don Saile has been found. But will the adventurers be able to stop his evil scheme before he tears the world asunder?

Theft!

A valuable Package has been stolen from an Avantine noble while staying in the capital of Septoria. Help recover the missing package before it becomes an international incident.

Mean Streets—The Flip Side

Darkness stalks the streets of Codecia, where the hunters have become the hunted. Young gang members are going missing. Someone needs to stop this cycle of violence before the children of the streets are wiped out.
